If you have an oblong face, you can make the jaws look bit narrower compared to the forehead using a proper beard style. We highly recommended any goatee style that makes the chin appear rounder. This face shape can surely look great with mutton chops. Other than that, you could also go for a heavier mustache paired with a circle goatee beard. 27/01/2022 · It's perfect for all breeds, ages, and sizes and is available in a variety of different flavors. We recommend the beef and sweet potato recipe as it is poultry-free (a common allergy in dogs).
